Called to Unity**

# Ephesians 4

**<sup>1</sup> Therefore I, a prisoner for serving the Lord, beg you to lead a life worthy of your calling, for you have been called by God.**

## **Ephesians 3**

**20 Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think. 21 Glory to him in the church and in Christ Jesus through all generations forever and ever! Amen.**

## Ephesians 4

<sup>1</sup> Therefore I, a prisoner for serving the Lord, beg you to lead a life worthy of your calling, for you have been called by God <sup>2</sup> Always be humble and gentle. Be patient with each other, making allowance for each other's faults because of your love. <sup>3</sup> Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace.

## **Ephesians 4**

**4 For there is one body and one Spirit, just as you have been called to one glorious hope for the future. 5 There is one Lord, one faith, one baptism, 6 one God and Father of all, who is over all, in all, and living through all. 7 However, he has given each one of us a special gift through the generosity of Christ.**

THE UNITY OF SPIRIT**

## **Dr. Towne:**

**“The reason that this story was so sensational was that it is, unfortunately, the exception to the rule...That is not to say that the average person is not empathetic, or that they would not help someone in need if they felt that they had the ability, but there are a lot of impeding factors that bias us away from action during emergency situations...”**

## **Dr. Towne:**

there's the confusion that accompanies these situations....The questions of — what should I do? Do they actually need my help? There's the panic. There's the uncertainty. There's the lack of organization. There's the belief that someone more qualified should step in....

## **Dr. Towne:**

**But, defying all that logic, an estimated 80 people — many of whom never received any recognition — headed directly into the rip current. Which leads to the question — why was this moment different? What it likely boils down to is, as studies show, is this: human behavior is contagious.**

## **Dr. Towne:**

**This is true for bad things — for example if a friend becomes obese, studies show you are more likely to become obese — and good things, like being willing to form a human chain.”**

MAINTAIN UNITY THROUGH LOVE**
